

Xshielder iPhone 17

For Ex Zone 1

Maximize productivity by integrating the latest Apple technology directly into your Zone 1 daily workflows. Engineered to be the lightest, slimmest Zone 1 certified smartphone, the Xshielder iPhone 17 provides the most accessible path to a modern mobile experience for hazardous areas.

With fast processing power, a powerful camera system, intuitive user experience, and a secure iOS platform, it gives digital field workers the tools they need to keep operations safe and moving.

Xshielder ends the era of outdated Ex smartphones – because technology should never hold you back.

Apple Configuration

Device:	Apple iPhone 17
Model:	A3520 (contact us for other models)
Storage:	256GB or 512GB
Color:	Any

Patented design

Xshielder's unique patented design allows the cover to be opened after installation, offering three key benefits:

- Replaceable** – If damaged, the cover can be easily replaced without discarding the entire unit
- Residual Value** – When it's time to upgrade, the iPhone can be removed, traded in, or resold—maximizing investment
- Sustainable** – Both the phone and cover can be recycled, reducing waste and minimizing CO₂ impact

About Xshielder

Based in Norway, Xshielder brings over 100 years of combined expertise in designing Ex-certified mobile devices for hazardous environments. Founded by a team of innovators who have worked together for decades, we are driven by a passion for safety, quality, and cutting-edge design.

Our vision is to provide uncompromised mobile experiences, enabling users in hazardous areas to work seamlessly — just as they would with any personal device. Our solutions are trusted by all major oil and gas operators in Norway and our global partner network enables us to reach customers worldwide.
